The Family Tree of John Steele

Ethyl M. Steele Thompson.

Foreword.

Greetings to all you Steele's — "my ain folk"!

My purpose in compiling this family record has been achieved, namely, to list by families all the descendants of John Steele, our common ancestor, who came from Scotland to Canada to reside until his death, in 1899, in Asphodel Township, Peterborough County, Province of Ontario.

Our genealogy, in this family record, begins with Robert Steele who, with his wife and family, emigrated from Scotland and came to live in Canada. No attempt has been made to trace our ancestry in Scotland, but merely to tabulate the descendants of my grandfather John Steele, son of the said Robert Steele.

Of his family of eleven: Marion died in infancy; Richard remained unmarried; five went to the United States to live — Hannah to Michigan, Harriet to Nebraska, James, John, and Robert to Montana — and the remaining four — Mary, Jane, Margaret, and Joseph, my father — remained in Ontario, Canada. Home addresses of their descendants,

however, would include several of the provinces of Canada, and of the states of the United States.

This has been a labour of love, entirely impossible of achievement without the assistance of many of you. It is inevitable that there should be some discrepancies and omissions, and for these I ask your understanding. With regret I have recorded the deaths of two cousins who contributed generously to this project— Mae Steele Peck and Edith Stewart Slotta.

Special acknowledgments go to Francis Shearer and Malcolm Hunt, who provided complete records of their respective branches. As individual acknowledgments would miss some whose contributions were essential to a complete record, my sincere thanks go to one and all, including my husband, who helped in this task, and made of it a delightful experience.

With gratitude I pass on to you now the record of one hundred and twenty years of the growth of our family tree.

Ethyl M. Steele Thompson.
